## About This Game

The evil forces of Hell have risen, and are attacking Earth. The undead are possessed, and now feast on the living. Bloodthirsty demons and hell-hounds hunt down the weak and unsuspecting. The Earth is doomed, and the rest of humanity will surely perish. But you might be able to save yourself from this onslaught of terror...

Judgement Day has come. The time for action is now. So pick up that minigun, and slaughter everything that stands in your way.

### **GAME FEATURES:**

- Rapid, challenging gameplay inspired by old-school classics
- Three distinct game modes requiring different strategies
- An arsenal of badass weaponry
- Lots of blood, guts, and gore
- An absolute \*\*\*\*ton of enemies to kill
- Kickass music created by Waterflame
- Pixelated graphics made with love

**Hell is not merciful. Why should you be?**

Fun, fast paced, arcade style shooter. Easy at first, but has a good difficulty curve that presents a challenge in later waves. Brings back the nostalgia of old flash games like Boxhead. Great if you are looking for 10-20 minutes of casual entertainment. Not a TON of content, but for the price you really cant go wrong. Get this if you like casual gaming, gore, and nostalgia for old flash shooter games.
